THE CITY OF KATY NOTIFICATION SYSTEM

STAY SAFE DURING ALL TYPES OF EMERGENCY EVENTS

Your safety is our top concern. That's why the City of Katy wants to make sure you know about emergencies and incidents as they happen. By opting into the City of Katy emergency notification system you'll be informed before, during, and after incidents that could impact your safety.

The City of Katy notification system, powered by Everbridge, will allow us to send you messages about situations as they happen across multiple devices, including your home phone, mobile device, email, and more.

For this system to be a success, we need your contact information so we can reach you in the event of an emergency. Don't worry, we will never sell or share your personal information with any third-party organizations.
